

SPACES OF REFLECTION

GREEN WOODCRAFT WEEK
Monday 12th February - Friday 16th February

- * Would you like to learn new skills and find peace in the natural world? *
- * Are you becoming socially isolated? *
- * Feeling the stresses of daily life and would like some time to talk? *
- * Looking to feel uplifted, learn new skills and meet new people? *

From chip carving to whittling birds, our experienced green woodworker will teach you a range of techniques and help you create decorative elements that will adorn our woodland megaphone.

Join us for one day or multiple sessions over the week, it's up to you!

Participants must be aged 18 +
Transport available from the Lincoln area*
